100 Backpacks & Water Bottles Give Aways

UPLIFT OUR COMMUNITY CAMPAIGN - a Rho Omega Chapter, Alpha Kappa Alpha Sorority, Incorporated initiative. During the annual School Year Kick-off Orientation at Hayward Middle School, Springfield, Ohio, the organization donated 100 reusable water bottles and 100 book bags. The school is located in a low-income neighborhood which is home to a diverse community including a large population of Haitian refugee families. The students and their parents were appreciative and excited to begin the academic year with new book bags and water bottles.

In Remembrance

09.11.2001

Today, many of us will remember exactly where we were when planes hit the World Trade Center, the Pentagon, and an open field in Shanksville, Pennsylvania. Some of us have very personal memories of sorors, their families or friends lost in or impacted by the attacks. Their stories have become a part of our shared history.

One thing I hope stands out for each of us today is how our communities have been and will always be resilient.

May we always come together to comfort the things that seek to divide us and heal from our losses.

National Voter Registration Day

September 19, 2023

Today, Alpha Kappa Alpha Sorority, Incorporated® celebrates National Voter Registration Day as we host our "International Public Policy Conference: Speaking to Justice."

We also mark the official kickoff of our national voter engagement campaign and countdown to the 2024 national election. It is critically important that every eligible voter is registered to vote, has the information needed to cast their ballot, and has access to the polls. In fact, with the 2024 presidential election quickly approaching, as well as many other key "down ballot" races, we must remember voter education, registration, and mobilization are very serious matters!

As part of our voter engagement campaign kickoff, we will host a voter engagement forum during our Public Policy Conference which will include executive branch officials, federal legislators, policymakers, advocacy experts, and strategists who will discuss challenges and provide advocacy solutions surrounding voter engagement. Even if you are not attending the conference, there are ways you can participate.

Sorors, on this National Voter Registration Day, we ask you to visit <https://www.vote4us.org/> commit to the following:

- Check your voting status and encourage others to do the same.
- Register ONE new voter to your community.
- Use your social media platforms to share voter information. Our hashtags are: #ShareYourVote, #Vote4Us, #Vote4Justice.

We have an opportunity to "lean in" with our efforts to get every eligible voter in communities we serve registered to vote.

Let us be Advocates for Social Justice and SOAR TO THE POLLS!

Generation NEXT

Greetings Sorors,

We hope this message finds you well and thriving within our beloved sisterhood. As we usher in a new season, we are thrilled to announce some exciting upcoming events designed for our dynamic "GenerationNEXT" members and our entire sisterhood! GenerationNEXT International Committee invites your chapter to host the following fall events:

GenNEXT Brunch (September): Kickstart the fall season with a delightful brunch event in September. Join us for a morning of connection, fellowship, and some delectable treats. Don't forget to capture the moments and share them with the hashtag #GenNEXTBrunch. Let's make this brunch unforgettable!

Committee Sign-up Drive (September): We value your input and involvement. Chapters are asked to host a committee sign-up drive, allowing sorors under the age of 40 to learn more about the committee's mission/responsibilities, and the areas where you can make a meaningful impact. Committee chairs should be the guide through this process. Share your journey with #GenNEXTworking.

Game Night or Painting with a Twist (November): As the leaves change colors, we invite you to join us for a game night or a creative painting session with a twist in November. Let's unwind, have fun, and bond with laughter and creativity. Share your artistry and game night snapshots with #GenNEXTGameNight and #GenNEXTPainting.

Mark your calendars. We can't wait to see your posts. Follow us on Instagram: @generationnext1908

Empower Our Families – Mental Health Awareness Calling on All Clinicians & Pastoral Care Providers

Dear Soror,

I have heard your concerns. Sorors need someone to talk to, provide real-time assistance and/or a place they can go to obtain help. Likewise, every Soror in crisis should receive a humane response that treats them with dignity and connects them to appropriate and timely care.

Every day, many of our graduate and undergraduate sorors struggle to get the help they need. Rates of depression, anxiety, and overdose are on the rise. Nearly half of adults who experience mental illness do not receive treatment.

Social isolation, despair, and chronic stress often culminate and exceed one's ability to cope and lead to a state of crisis. Historically, law enforcement, hospitals, and jails have been enough resources for people experiencing behavioral health crises, and not enough resources are available.

The Greater Together administration of the Great Lakes Region is calling upon active and lead to a state of crisis. Historically, law enforcement, hospitals, and jails have been enough resources for people experiencing behavioral health crises, and not enough resources are available.

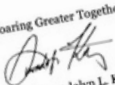

GREAT LAKES BEHAVIORAL HEALTH INITIATIVES

- Create meaningful dialogue through thoughtful virtual and in-person forums.
- Increase overall self-esteem to become more productive in our personal lives as we as valuable members of Alpha Kappa Alpha Sorority.
- Reduce the stigma that creates additional barriers to receiving behavioral health care, and thus aren't taken seriously, exacerbating social media influence.
- Learn to reduce or eliminate the dependence on social media influence.

Sorors, I need your assistance and guidance as therapists in bridging the pipeline to help Soror better understand and cope with her thoughts, feelings, and behaviors. Would you stand with me and the Great Lakes Region to offer assistance and help increase a soror's
